Hi

Have you thought about how you will decipher who is resident and non-resident?

We don't mind paying an annual fee.

Then we don't have to worry about day use fees and if someone will steal the money out of the little box, plus the box get overfull and you can't put your money envelope in it. you might want to make annual passes etc...available online.

Use Navajo mostly and WE SERIOUSLY NEED MORE PARKING FOR BOATS AND A BETTER BOAT RAMP!!!!

Since that new ridiculous recreational marina that I hope you are making a mint off of so you can help us boaters out.

Albuquerque people come up here and we have NO PARKING!

And I hate trying to not run over kayakers and other water equipment the marina rents out that goes right into the boat ramp area.

Good luck with your endeavors for fees etc...And thank you for letting me vent about Navajo State Park.

Thank you for all you do for our state and the wonderful recreation we can enjoy!
