I am 75 years old and have been a NM resident since birth. I have been buying the annual pass for many years. I really like the proposed changes with regard to elimination of day uses fees and annual pass fees. As a NM resident since birth and being 75 years old, I am now into the fixed income part of my life. This changes would be very welcome. I also hope the cost of gasoline begins to go down so I will be able to travel to our beautiful State parks again.

By buying the annual pass in the past, I could simply hang the placard on my rearview mirror and skip the filling out of the forms and need for cash to pay the fee. I hope the proposed changes allow a similar simple method once fees are eliminated.. Perhaps just a NM licenses plate will do the job?
