Good morning Joseph,

After all public comments are reviewed and we hold our rules hearing on April 1, 2024, the Energy, Minerals and Natural Resources Department State Parks Division will determine what changes to adopt. If we make significant changes to the rules we have proposed, we may hold another 30-day public comment period and another hearing. Ultimately, the Department will make the decision on what rules to adopt. Please let me know if you have further questions.

Thank you,

Jared Langenegger, Field Operations Bureau Chief

NM State Parks Division

Hello,

Who ultimately decides (votes) on the purposed fee rules changes at the April 1st meeting? And are each of the purposed changes voted on separately, or is the entire list of proposals decided en bloc?

Thanks,

Joe Hunt
