Day use passes should still be used except for New Mexico Veterans, Law Enforcement and First Responders

Annual passes should continue to be available but should be offered to New Mexico Veterans, Law Enforcement and First Responders at half the cost.

Adjusting all other fees depends on what those adjustments are but should also have discounts for New Mexico Veterans, Law Enforcement and First Responders

You could even have a discount for all Veterans that use the facilities but a larger one for those from New Mexico.

Our Veterans need to know the people appreciate what they do for them.
