I'm sorry to see that you guys have passed up on this opportunity to force out-of-state guides (Colorado) doing business on the San Juan River at Navajo Dam State Park to pay more for the privilege of making a living off of our resources. Five hundred bucks a year for a concession permit that allows them to earn up to \$500 a day for months on end? And you want to double my cost to camp and fish there? C'mon now.
