To whom it may concern:

I can truly understand the need to increase fees. We purchase an annual pass every year and have been for the last 15 yrs. Being retired, this allowed us affordable lake camping as well as reduced rate full service camping. We are local residents of Elephant Butte and the lake is why we moved here.

Please reconsider the annual pass, this is the only way seniors on fixed income can continue to enjoy camping here.

Thank you for your consideration
