Subject: [EXTERNAL] New Mexico State Parks Fees Study rule changes

My name is Kathy Fuller and I was born and raised in New Mexico. I am encouraged that out-of-state residents will now help out with the fees by paying differently than in-state residents. My main complaint is that we cannot drive our off-highway vehicles out of state run campgrounds. We like to stay particularly at Pancho Villa state park and then go and explore our public lands on our OHV's. We pull our toy hauler with our truck and then off load the OHV in the park. We are not currently allowed to drive them out. This does not work. Surely something can be worked out. We are retirees and do not hot rod around on the OHV's. We are rockhounds and we use the OHV's to explore and do collecting. Please consider rescinding this rule.

Sincerely,

Kathy Fuller
