CAUTION: This email originated outside of our organization. Exercise caution prior to clicking on links or opening attachments.

Rasing rates under this structure will kill our town and lake that depends on summer visitors for revenue. We don't oppose a rate hike but these changes will cause undue hardships for families who come to the lake every weekend.100.00 for a 3 day weekend is prohibitive and people will no longer come. This town will dry up and blow away. Please reconsider this structure at least for towns who depend on tourism.

Thank you
