I am disappointed that you are considering ending senior camping passes. I have been getting a pass for years and especially for the last two years you have made money off me because I only camped about 4 or 5 nights that whole time.

This was partially because I was busy with other things, and it was partially because you greatly increased the reservation only sites.

I understand that the parks need more funding but I also know that there have been serious issues with staff enforcing the wrong things and conflicts between staff.

Please don't get rid of needed senior discounts.
