I AGREE WITH THE ADJUSTMENTS for new Mexicans for day use. But I would really like to see oasis state park looking better then it has been. I honestly stopped camping there an stopped going fishing there do to lack lf maintenance. The pond 95% of the time has so many tumble weeds in it that it's unfishable.. I'm unsure if that's even in the dictionary. I go fishing at green acres or Dennis Chavez or Ned hoak park now. An there city owned not federal.
