Subject: [EXTERNAL] raising of camping rates

CAUTION: This email originated outside of our organization. Exercise caution prior to clicking on links or opening attachments.

Please reconsider the raising of camping rates for your state parks. This is literally the last state in the union that has rates that are affordable for retirees and people on disability such as us. If it were not available, we would be dispersed camping in a trailer that is completely inadequate for it. Thanks for considering my request, and feel free to contact me if you want to discuss further.
