Elephant Butte fee increase

**Message**

Regarding the fee increase we understand the increase in some fees but the proposed increases are too much. We are seniors and use the annual camping pass we also have a boat at the marina. We understand a increase in the annual camping pass but not doing away with it. We agree with discontinuing the out-of-state camping pass for people. We have never been in a campground paying for a spot with a charge for a dump station. People with renting spots at a marina should also not have to pay a fee to enter the park.  
Thank you and hope you take this into consideration.
