As a Family we have used New Mexico State Parks for over 20 years. We currently live in Elephant Butte and use the park for pleasure boating, picnics and overnight RV camping. We have an annual camping pass and an annual day use pass. We do not support the elimination of the annual pass system. New Mexico is ranked 46 out of 50 states for household income. We feel it is very important to our New Mexican families to have affordable recreational opportunities.

We do support increasing fees and hope that out of state residents pay their fair share for being able to have access to our State Parks.

Please consider all options to keep New Mexico State Parks affordable for all New Mexico Families.

The Fredrickson Family
