TO JARED LANGENGER, AND STATE  
PARK FEE study Group.

I HAVE BEEN A RESIDENT OF NM  
SENSE 1954. ALL THIS TIME I HAVE ENJOYED  
THE STATE PARKS. AFTER I RETIRED IN 2015  
I BOUGHT A SENIOR ACP AND HAVE ENJOYED  
GETTING AWAY FOR 3 OR 4 DAYS A MONTH  
CAMPING, HIKING AND PHOTOGRAPHING BIRDS

I UNDERSTAND THE NEED TO RAISE  
RATES AND STOP PEOPLE FROM LIVING  
IN THE PARKS HOWEVER THESE PROPOSALS  
GO TO FAR! ACPs SHOULD ONLY BE  
FOR N.M. RESIDENTS, SENIOR AND HANDICAPPED  
200<sup>00</sup> A YEAR INCREASED FOR INFLATION.  
ELECTRIC RATES NEED TO BE INCREASED TO  
10<sup>00</sup> A NIGHT FREE WATER. DUMP FEES  
100<sup>00</sup> PER DAY. THESE FEES SOUND OK TO  
ME. IF NOT THEY COULD BE RAISED IN  
FUTURE.

LIVING ON SOCIAL SECURITY LEAVE  
LITTLE LEFT FOR CAMPING AFTER  
FOOD AND UTILITIES. DOCTORS RECOMMEND  
TIME RELAXING IN NATURE TO PROLONG LIFE.  
IF THESE PROPOSALS GO THROUGH I  
WON'T BE ABLE TO AFFORD TO GO CAMPING.  
THE BEST I COULD DO IS VISIT DURING THE  
DAY AND WATCH THE RICH TEXANS  
ENJOYING OUR STATE PARKS

THANK YOU FOR YOUR CONSIDERATION  
AND TIME.
