CAUTION: This email originated outside of our organization. Exercise caution prior to clicking on links or opening attachments.

I do not agree with the NMSP's plan to do away with the ACP and implement additional fees. I have been camping in NM state parks for almost 7 years and using the ACP during that time period. If the pass is eliminated I will not continue to camp in NM. I know quite a few other campers who will do the same.

I would be willing to pay more for an ACP if they were to continue to be available.

Sincerely,
Mary Eagen
