Hi,

I would like to oppose the elimination of the annual camping passes. I do not believe this is in the best interest of the community or the state. This will only deter attendance. In addition, to charge the same price for primitive and developed camping spaces does not make the least bit of sense to me. Developed camping requires more upkeep and cost so how would it make sense to charge the same for both. One option I would support is to only allow annual camping passes to NM residents.

Mike Gutierrez
