To whom this may concern, I would like to voice, my concerns about the potential elimination of the annual camping pass. I don't understand why you would do this to one of the poorest states in the country camping is one of best family outings in is expensive with the annual pass. I don't understand why you don't charge out of stators more and give residence more benefits. I oppose the elimination of the annual camping pass, and hope you take my comments into consideration.

Thank you
