Good afternoon Randall,  
NM State Parks is in the process of a rules revision that will determine our park fees and annual passes going forward. This process includes holding informational public meetings the remainder of February and first part of March. We are taking public comments up until March 29, 2024. We will hold our rules hearing on April 1, 2024. After that point we will make the final determination on our fees structure and annual passes. You can find information related to this process on our website at [www.emnrd.nm.gov/spd/public-meetings/](http://www.emnrd.nm.gov/spd/public-meetings/). If you need further information, please let me know.  
Thank you,

Jared Langenegger, Field Operations Bureau Chief  
NM State Parks Division

CAUTION: This email originated outside of our organization. Exercise caution prior to clicking on links or opening attachments.

I am writing to inquire as to the outcome of the public meetings held regarding the elimination of the NM State Parks Annual Pass. Has a decision been reached on this? If not yet, when is one expected?

Any information you may be able to provide will be greatly appreciated.

Best regards,
