Good morning Robert,

Thank you for your question. Currently we are in the public comment period of our rulemaking process. We have proposed the elimination of annual passes, but that could change based on the feedback we receive. We will be holding a rules hearing on April 1, 2024 in Santa Fe. After this hearing we will make a final determination on our adjustments. All annual passes sold currently will be honored until their expiration date. If you have any other questions, please let me know.

Thank you,

Jared Langenegger, Field Operations Bureau Chief  
NM State Parks Division

Good Morning

I saw the email stating that annual state park passes might be eliminated.

I recently purchased my annual pass for 2024. If this happens is my pass no longer valid?

Thank You Robert San Martin
