Good morning,

The proposed fee for utilities is \$10 per day per utility. So water, electric, and sewage would be \$10 each where available. Please let us know if you have further questions.

Thank you,

Jared Langenegger, Field Operations Bureau Chief
NM State Parks Division

Good morning.

For the proposed changes to the park use fees does the \$10/day fee for electric, water, & sewage include all 3 utilities, or is it the charge per utility?
