To whom it may concern,

We are the holders of four different slips at Navajo Lake Marina. The State of New Mexico gets 7% of our monthly dues. Which comes out to over \$2,000 in payments to the State. We live in the State of Colorado. I am told that close to 60% of Navajo Lake Marina slip owners are from out of State. The parking changes would absolutely be a game changer for us? There has to be some sort of clause for all slip owners. We should either be able to get a season pass, or we should be granted free parking.

I hope you take some consideration to those that pay you on a yearly basis.

Kind Regards,
Shawn White
