Subject: [EXTERNAL] Fees for non motorized paddle craft

CAUTION: This email originated outside of our organization. Exercise caution prior to clicking on links or opening attachments.

I am Chair of the New Mexico Paddlers Coalition and have been informed that there will be a \$5 launch fee for non-motorized paddle craft. This is of course a concern, as our craft have minimal impact, are provided with little to no infrastructure, and are a way to get underserved populations on the water for a minimal cost.

Please provide me with the proposed fee structure so that we can evaluate it and provide comments.

Thank you
