Good afternoon,

Thank you for your interest in New Mexico State Parks. All information on the Fees Study can be found on our website emnrd.nm.gov. Here's a direct link to the Public Meetings page with everything <https://www.emnrd.nm.gov/spd/public-meetings/>. We appreciate you taking the time to send comments and suggestions. None of the changes are set in stone and we look forward to reviewing the hundreds of comments received in the process.

Sincerely,

Wendy Mason

Subject: [EXTERNAL] Lack of information

CAUTION: This email originated outside of our organization. Exercise caution prior to clicking on links or opening attachments.

Key recommendations from our Fees Study include:

- Elimination of day-use fees for New Mexico residents.
- Implementation of a non-resident day-use fee.
- Eliminating Annual Passes.
- Adjusting camping and utility fees.
- Adjusting boat registration and launching fees.
- Adjusting entrance fees at Living Desert Zoo and Gardens State Park and Smokey Bear Historical Park.

It would help if you put what the current fees are and what you are proposing to change them to. It's hard to comment with NO information.
