I am a 86 year old man who has been living in New Mexico since 1964. I try to hunt and fish when I can and use the annual park pass every year. The savings afforded me is the only way I can enjoy my visits to the State Parks. If I am lucky, I might spend 14 days a year total at these parks. I would like to spend more time, but with your idea of dropping the annual pass system that will be impossible for me and many others.

Please consider all seniors in your decision to change these charges and rules.

Thank You! From all Seniors,

William L. Jones
