

### Kids 'n Parks Transportation Grant 2023-2024

Brought to you by the NM Outdoor Classroom Program

The New Mexico State Parks Division is proud to bring you the sixteenth year of the *Kids 'n Parks Transportation Grants*, a component of the highly successful New Mexico Outdoor Classroom Program (OCP).

*Kids 'n Parks* gives teachers the opportunity to take their students on field trips to a New Mexico State Park, where hands-on, minds-on experiences introduce and reinforce the standards and benchmarks being taught in the classroom. State Parks pays the transportation costs of such field trips, fully or in part.

#### **ELIGIBILITY**

- <u>Trips must be to a New Mexico State Park.</u> visit https://www.emnrd.nm.gov/spd/find-a-park/
- Applicant must be a teacher/representative of a <u>public or public-charter school</u> within a recognized New Mexico school district
- Grades K-12 are eligible
- Applicants must coordinate with a State Parks staff member to discuss available dates and program options BEFORE submitting an application (Step 1 under Application Procedure). This will be verified during the grant review process and applicants who fail to do this will be ineligible. Please call or email Paul Mauermann or Maggie Price at 505-281-5259 or email margaret.price@aps.edu with questions.
- The field trip <u>must correlate to classroom study</u> and must meet <u>one or more performance standard(s)</u> from <u>at least two (2) benchmarks</u> from one or (ideally) more content areas.
- Trips must be <u>completed by the end</u> of the school year.

#### **APPLICATION TIPS**

Our desire is to form lasting partnerships with schools and teachers in order to provide teachers with consistent program planning support and to continue to evaluate the benefits of the OCP. Thus, we particularly encourage previous recipients to apply, including teachers from other grade levels from those same schools. First-time applicants who are willing to make a long-term commitment are also encouraged to apply.

Be aware that funding for this program is VERY limited and we will NOT be able to award grants to all applications. The strongest applications will be those that most clearly link classroom study with the proposed field trip and include a transportation quote. Both overall cost and cost per student will be factors: grants typically range from \$200 - \$1000.

### **APPLICATION PROCEDURE**

- Contact the State Park that you would like to visit (https://www.emnrd.nm.gov/spd/find-a-park/) and that will best meet your learning goals and confirm available dates for your trip. Applications to Rio Grande Nature Center SP must also include the Group Program Request Form linked on the Park's site https://www.emnrd.nm.gov/spd/find-a-park/ rio-grande-nature-center-state-park/
- 2. Obtain a written quote from your local transportation provider. You MUST submit a copy of this quote with your application or your application will not be considered. Please supply a precise quote. This will help us serve as many schools as possible with the available funds.
- 3. Fill out the *Kids 'n Parks* application form completely and return it to Paul Mauermann or Maggie Price (addresses below) no later than December 1 2023:

E-mail: margaret.price@aps.edu

Ground mail:

Paul Mauermann New Mexico Museum of Natural History & Science 1801 Mountain Road NW Albuquerque, NM 87104

4. Applicants will receive notification by mid December

Submission deadline:

Extended to Dec 1 2023

## Kids 'n Parks Transportation Grant 2023-2024
