A group of about ten young people are posing in a garden or field. In the foreground, a person is partially visible on the left, and two young women are leaning forward, making peace signs. Behind them, several other people are standing, some wearing hats and casual clothing. The background is filled with various plants, including tall green stalks and red-leafed shrubs, under a clear blue sky.

The Youth Conservation Corps (YCC) Commission offers a \$1,500 educational tuition voucher OR a \$500 cash compensation to YCC corps members who have worked on a YCC project for 12 months (48 weeks) within a 48-month period (4 years). The YCC Commission may offer a prorated amount based on a minimum of 32 weeks worked; however, this may be limited by our budget.

The YCC will contact corps members and their sponsors at the conclusion of every project to inform them of their eligibility and provide the necessary information. It is important to include a valid e-mail when entering corps members into our database.
