RE: Two Revised Models for Permit Modification 19-1 to Permit No. RA004RE, Rocky Mountain Mine

Dear Mr. Ohori:

Thank you for continuing to work with us during these challenging times. We have developed two additional spreadsheet models which were designed to further reduce the size of the proposed reclamation bond for the E-3 unit and would like to discuss these with you soon. Again, thank you for working with us!

Sincerely,

A handwritten signature in black ink, appearing to read "Ed Dvorak", with a long horizontal flourish extending to the right.
