

**REQUEST FOR PROPOSALS
PROFESSIONAL SERVICES TO DEVELOP RULES FOR
NEW MEXICO ENERGY, MINERALS AND NATURAL RESOURCES DEPARTMENT
OIL CONSERVATION DIVISION**

AMENDMENT NO. 2

The New Mexico Energy, Minerals and Natural Resources Department (EMNRD), Oil Conservation Division (OCD) issues this Amendment No. 2 to the Request for Proposals (RFP) to solicit professional services for qualified offerors (Offerors) to develop and support the adoption of rules to regulate the venting and flaring of methane at oil and gas facilities.

1. Section IV(B) is deleted in its entirety and replaced with the following:

“The proposal shall be submitted electronically only in pdf format. The proposal shall be single-spaced, 12-point font type, numbered pages, and not to exceed 50 pages. No hard copy shall be submitted or accepted.”

2. Section VIII(B) is deleted in its entirety and replaced with the following:

“Offerors must submit the proposal electronically only to the EMNRD Contact Person at gabriel.wade@state.nm.us no later than 5 p.m. MST on April 3, 2020. Proposals received after this date and time shall not be accepted.”

3. Section VIII(C) is revised as follows:

“An Offeror who is not selected has the right to timely protest the procurement. NMSA 1978, § 13-1-172. A protest ~~must be in writing~~ shall be submitted electronically only and identify the name and address of the protestor, the name of the procurement being protested, the grounds for the protest, and the requested relief, and attach any supporting documents. The protest period commences on the day after the Offeror receives actual or constructive notice of the selection decision, and concludes at 5:00 p.m. MST on the 15th day after the day of commencement.

Protests must be delivered to:
