New Mexico State Parks

Enjoy an enchanted evening under the stars with plenty of unique camping experiences to choose from. Whether you like to roll out your sleeping bag or curl up in your RV, New Mexico State Parks have it all.

Connect with Nature

New Mexico State Parks have many tranquil spots designated for “primitive” camping. These quiet sites may have a tent pad and can include boat-in and beach camping.

Diverse Camping Options

New Mexico State Parks accommodate a wide range of developed camping experiences from the smallest camp trailer or pop-up, to a fully loaded RV.

Many developed sites have electric hookups (30 or 50 amps), sewage, water hookups or both, as well as shelters, picnic tables, and grills.

Camp in Comfort

Your well-being is important to us during your stay. The ability to take a shower while camping is a luxury that our parks provide with our comfort stations. Campground amenities may include playgrounds, large group shelters, and vault toilets.

Be a Trail Blazer

Easy to moderate trails show off the best features of New Mexico State Parks. City of Rocks State Park is just one place where you can explore the geology of New Mexico. This 3.25 mile loop showcases the unique volcanic boulders and provides stunning views.

Enjoy the Lake View Trail at Eagle Nest Lake State Park. This easy, tranquil path from the Village of Eagle Nest to the Moreno Day Use Area at the park offers excellent views of wildflowers, lakeshore wildlife, and the beautiful Moreno Valley.

Life at a Higher Level

The Jemez Mountains provide the backdrop for Fenton Lake State Park. The park is surrounded by ponderosa pine forests that attract campers, hikers, and cross-country skiers.

Marina at Navajo Lake State Park

Yurt at Hyde Memorial State Park

adventures await you...

World-Class Fly-Fishing

Enjoy world-class fly fishing on the Quality Waters of the San Juan River at Navajo Lake State Park. Camp in the park or picnic at one of the day use areas along the river. Navajo Lake offers some of the best boating, fishing, hiking, and camping in the state. Make sure to check out the fun things at the Navajo Marina. Rent a houseboat, play on the bumper boats, or dine in the floating restaurant.

Stay Cool

You do not need an ocean to sail, scuba dive, kayak, or jet ski. Visit our largest body of water at Elephant Butte Lake State Park, or scuba dive in the clear blue waters at Bottomless Lakes State Park.
